

SATURDAY 26 NOVEMBER

A BIG discussion

The Bridge Community Centre

10am-12noon Please arrive promptly to be involved in the discussions.

THE HEART OF HASTINGS Community Land Trust are hosting a **BIG DISCUSSION** for residents of the local area to talk about the future of **BROOMGROVE POWER STATION SITE** and to hear **YOUR** ideas.

There will be presentations from the **Heart of Hastings Community Land Trust** and our Turner Prize winning architects **ASSEMBLE**. We hope this will inspire ideas for the project. The presentations will be followed by group discussions which will be used to help form the basis of the brief for our architects.

Sat 26 Nov - 5-9pm

WARM UP ORE VALLEY

BROOMGROVE POWER SITE

ENTRANCE VIA FIRTREE ROAD OR BROOMGROVE ROAD

FREE BBQ FOOD, MUSIC & BONFIRES!

Sit around a bonfire, explore the possibilities for the site and imagine what the future can hold...

There will be plenty of cover from the elements and to make sure the event goes off, no matter what the weather, we'll be stoking a number of woodburners with the assistance of experienced marshals.

This will be a great chance for residents of the Valley to get together and find out more about the project. It's the first chance that our architects **ASSEMBLE** will have to consult with local residents to find out their thoughts and visions for the future of the site.

PLUS: Money-saving advice from **ENERGISE SUSSEX COAST** and meet **DOM'S FOOD MISSION** team.

Please **bring warm clothing** and **suitable footwear** as the site is uneven and may be wet. Lighting will be placed around the site but **bring a torch** if you have one. Because of the BBQ, **no dogs are allowed** at this event.
